

## **REVISIONS TO WISCONSIN STATE TANF PLAN (effective September 2003)**

### **Federal TANF programs**

Under “W-2 Program Access,” the list and number of W-2 agencies and tribal TANF agencies has been revised to reflect the current status of W-2 agency contracts.

Under “Other Elements of W-2 Work-based Participation,” a new section on “W-2 Screening and Assessment” has been added to reflect the introduction of a new barriers screening tool and policies and procedures related to the use of that tool.

### **Segregated State TANF programs**

The following state TANF initiatives have *ended*:

Department of Workforce Development

- State Employment Options Program
- Legal Services

Department of Health and Family Services

- Milwaukee Child Welfare Coordinator
- TANF contribution to state Women, Infants, and Children Program
- Wisconsin Immunization Program
- Adolescent Pregnancy Prevention Program

Department of Military Affairs

- Badger Challenge

Department of Public Instruction

- Aid to Milwaukee Public Schools

The following programs have been *reclassified* as segregated state programs:

Department of Workforce Development

- Emergency Assistance (formerly classified as a federal TANF program)
- Job Access Loans (formerly classified as a federal TANF program)

The following new state TANF program is being *implemented*:

Department of Health and Family Services

- Wisconsin Statewide Child Welfare Information Service

In addition, language with respect to the following segregated state initiatives has been *revised*:

Department of Workforce Development

- The description of the Community Youth Grant program has been revised to reflect the fact that grants for these services will now be directed exclusively to the Boys and Girls Club of America.

Department of Health and Family Services

- The description of the Brighter Futures program has been revised to include references to related tribal adolescent services programs.

### **Separate State Programs**

The following state TANF initiative has been *reassigned* from DWS to the Department of Health and Family Services:

- Food Stamp Benefits for Qualified Aliens

The following state TANF initiative has been *reclassified* as a separate state program (and *reassigned* to another department):

Department of Health and Family Services

- Burials (previously a segregated state program under DWS)

In addition, the list of qualified aliens served by W-2 Services to Qualified Aliens has been revised to include to additional categories of qualified aliens.

### **State Plan Program Chart**

The chart has been revised to reflect the other revisions listed above.
